

Full Time manager

Sblended is a unique concept that brings a new twist to milkshakes. We mix milkshakes together using milk and Ice cream with sweets, chocolate, cakes and all things yummy! We even healthy stuff too! With over a thousand combinations the possibilities are literally endless!

Sblended is the fastest moving quirkiest milkshake brand around, and as we keep on shaking there are always opportunities arising. We are creative about milkshake making, serious about results and mix it up with fun. We need like minded people to join are successful team.

- You must work as a hands on manager and you must be; vibrant, enthusiastic and have a strong passion for excellent customer service.

If you think you have what it takes and wants to become part of a fun successful company we want to hear from you.
